WHY NATHANS...

- The product is fresh packed without pasteurization. Why cook your pickles like some others.
- more uniform sizing in the pickles, each one is a good portion for your plate that the pickle lover will enjoy
- Fresh packed pickles. Nathan's packs product as needed. No storage or product sitting around. Consistently fresh product in the market
- New types in the fresh market with the horseradish pickles and spears. These are not out there anywhere except spears on the dry shelf. Horseradish pickles are worth a try for sure.
- Product has a safety seal for consumer protection.
- Product produced in a SQF certified facility.
- Passover for Full & ½ sour.
- Guilt Free. 0g. of fat, 5g. calories
- Product of North America
- Nathan's brand is well recognized due to the famous Nathan's International Hot Dog Eating Contest and the branding of many products as well as restaurant kiosks.
- NY style pickles
- Brand has been around since 1916
- Keep refrigerated
- Kosher O-U
- 1 year shelf life (except the ½ sour new dills which have 150 days but as we all know they have to move quick)
- Be a part of the new brand making its way to the discerning pickle lovers plate
